WIC Clinics Funded For Coffee County

The special supplemental food program for women, infants, and children (WIC) underway in Coffee County has recently been awarded permission to enroll 500 more participants. Clinics have been set up in the Elba and Enterprise Health Departments. The Coffee County Health Department urges each person in the area to come by and enroll if they are eligible.

This program is being funded through a federal grant from USDA and is administered by the Coffee County Health Department. The program is set up to obtain nutritional information on pregnant women, infants, and children up to age four, who are at a nutritional risk and are medically indigent.

The program will supply supplemental foods to those people who are eligible. These foods include milk, eggs, cheese, cereal, fruit and fruit juices for adults, children and infants.

Persons in the Elba area should attend the clinics in the Elba office of the Coffee County Health Department at 8:00 a.m. on Wednesday and Thursday. You may contact this office at 897-2222.

(L-R) Mickey Murdock, Ed Sells, and Arlon Brown.

Rotary Club Officers Installed

At the noon luncheon meeting of the Elba Rotary Club on Monday, July 1st, the officers for the year 1974-75 were installed. The outgoing president, Edwin R. Sells, conducted a brief program of installation. He charged the new officers with the responsibility of their office. Installed were Mickey Murdock, President; Robert K. Davis, Jr., Vice President; and Arlon Brown, Secretary and Treasurer. The Board of Directors for the new year include: Edwin R. Sells, James E. Williams, Robert Marsh, Sam Sawyer and Prude Crook. President Murdock received the gavel and proceeded with the conclusion of the business.

During the past year the Elba Club has had several projects of service to benefit persons in the community, state and world. Local Rotarians recently sent \$500.00 to the Southeast Alabama Cripple Children's Clinic in Dothan. During the recent tornado de-

Grant Approved For Elba City Schools

Elmer Taylor, Superintendent of Elba City Schools, has been notified by Congressman Bill Dickinson's office that a grant under the Emergency School Assistant Account (ESAA) in the amount of \$18,534 has been approved for the 1974-75 school year.

Mrs. Helen McCollough is the Project Director for this program. The original project was first submitted in December, 1973, and was re-written and submitted again in March 1974.

These funds will be used to purchase teaching supplies and to employ five reading teachers, four math teachers, one counselor and three teacher aids, in addition to the regular teachers in these areas.

The Right To Read Program has also been funded again for the 1974-75 school year in the amount of \$57,600. The Elba City Schools, Huntsville City Schools and Montgomery County Schools are the only system in the state that have been awarded this grant.

Mrs. Adelleen Prescott is Director of this program and this will be the second year of its operation in the Elba City Schools.

Four reading specialists and four paraprofessionals will work as a team with the regular classroom teachers. Consultants will be used for Staff Development in reading for all personnel. Teaching supplies and materials will be purchased. Visitation to other school systems will also be provided by this program.

Officials Review Project Plans

CHECKING PARK PROJECT Mr. Reynolds Thrasher, Outdoor Recreation Specialist with the Alabama Conservation Department is shown looking over plans for the proposed park at the old Pea River Dam site. Viewing the plans with Thrasher are from left standing: Probate Judge James Sawyer, Elba Mayor Owen Ziglar, County Engineer O'Neal Ham and Rick Lyles of the Southeast

Alabama Planning Commission. Also present was Fern Cox, publisher of THE ELBA CLIPPER. Thrasher suggested some changes in these preliminary plans and suggested ways to be more sure the federal government would approve the requested 50% grant for the project.

The site for the park is owned by the City of Elba and the city has offered it to the county to develop as a park. The county Commissioners voted for Judge Sawyer, Mr. Ham and Mayor Ziglar to proceed with plans. Each of the six commissioners has privately pledged to this newspaper their wholehearted support of the project.

Honor America July 4

REV. EDWIN R. SELLS

THOUGHTS ON INDEPENDENCE DAY

On this July 4th, Americans are celebrating 198 years as a nation. We have much to be thankful for and can have honest pride in many of our accomplishments and achievements. We can first be proud of our founding fathers. Those God-fearing men and women who risked their lives to come to this land came with a sense of adventure and freedom. They came for spiritual reasons as well as other reasons. This country was founded upon the need for freedom of worship. We ought to idealize these fine folk because they possessed character and honesty. They had their imperfections as we do -- but they were great citizens who gave our country a great beginning. We need to return to many of the high moral values that they practiced.

Let us be proud of our Freedom. We are speaking of the freedom which flows from obedience to God. From willing submission to law, from the discipline of self-control. We are not speaking of freedom that is license, nor of that which someone has described as "a vague, inherited, sentimental gesture." Our freedom is a rock upon which men took their stand and brought forth the Declaration of Independence, wrought out the Constitution of the United States, established a democratic government, opened up a continent to liberty-loving people, built institutions of learning and religion, of culture and industry, and enabled men to move in wide orbits of creativity. Let us be proud of our freedom.

Let us be proud of our achievements! The land called America was a marvelous gift of God to liberty-loving men. We should visualize the land as it was before the colonists landed at Jamestown in 1607. We need to suffer with the Pilgrims and follow the settlers across the west. These were rugged individuals who carved out a history and heritage worthy of this nation.

We must not only be proud of our nation but in a spirit of repentance, we must ask God to forgive us for the evils of our land the ills that we have created. We must always seek to be a nation "under God." Our nation is at a critical time in its history and deserves the prayer support of every Christian.

Thought For Today: -- "There is nothing so fatal to character as half-finished tasks."

A DAY TO HONOR AMERICA

July 4th, 1974

John Hancock of Massachusetts signed the Declaration of Independence with a bold, elaborate and most legible flourish. It was followed by the signatures of 55 others from the 13 American colonies, 198 years ago today.

And in signing this document they called their erstwhile colonies, "FREE AND INDEPENDENT STATES", by appealing to the Protection of divine Providence (the capitals are theirs) and did "mutually pledge to each other our lives, our Fortunes, and our Sacred Honor."

On July 4, 1776, this was no empty pledge. It meant very starkly that each signer had affixed his signature to his own death warrant. Each inscription convicted its perpetrator, automatically, of treason.

Yet such was the overwhelming strength of their patriotism in their fledgling nation that they pledged their all that it might be achieved.

And in years of battle, blood, hardship and often despair, it was achieved. Today nearly two centuries later, we of America are still a nation bound by the principles set forth in that Declaration and in the Constitution which followed it.

John Adams, second President of the United States, wrote of July Fourth: "It ought to be solemnized with pomp and parade, with shows, guns, bells, bonfires, and illuminations, from one end of the country to the other, from this time forever more."

Our nation has survived much, from minor upheavals to major corruptions, to bloody civil war. But that Declaration and that Constitution remain intact. We still pledge to them our lives, our fortunes, and our sacred honor.

And in these troubled times, more than ever, we might take heed of one of our most prominent contemporary constitutional lawyers, Louis Nizer, who in a recent address at New York University Law School, said:

"Ours is a great and noble nation. We must not give vent to despondency or skepticism... our great nation couldn't have achieved its eminence in science, business, and culture without a healthy core..."

We hold these truths to be self-evident...

And by honoring America's founders we also honor America, itself.

O.C. Smith reports that he has been having the time of his life trying to raise a pea patch. He said he planted three this spring and summer in the rear of the I.D. Cooper home but every time the snarrows would pull them up and destroy them before they attained any size. Mr. Smith tried sprinkling with Derris, sulphur and lime to no avail. Finally, as a last resort, he decided to plant again and sprinkle the little peas with snuff. Not a sprout has touched a snuff-sprinkled pea and it seems the problem has been solved. Mr. Smith said that at last he has found one thing snuff is good for.

'Laying Rubber' Cost Is Thousands of Miles

Getting the most out of your tires is especially important during the energy shortage, because 80 percent of the materials that go into tires are made from petroleum and other hydrocarbons.

"Jackrabbit starts," screeching turns, and panic stops not only burn large amounts of fuel, but may also peel 5,000 to 10,000 miles of tread life from the average set of tires in less than one day, warns a Goodyear Tire & Rubber Co. spokesman.

Motorists should regularly check their tires for proper inflation and rotate them every 6,000 to 8,000 miles, Johnson pointed out.

Politicians who shake your hand before the election and your confidence after, are a bit too numerous.

Getting the most out of your tires is especially important during the energy shortage, because 80 percent of the materials that go into tires are made from petroleum and other hydrocarbons.

"Jackrabbit starts," screeching turns, and panic stops not only burn large amounts of fuel, but may also peel 5,000 to 10,000 miles of tread life from the average set of tires in less than one day, warns a Goodyear Tire & Rubber Co. spokesman.

Motorists should regularly check their tires for proper inflation and rotate them every 6,000 to 8,000 miles, Johnson pointed out.

CHILD CARE
Try to remember the time when, as a child, you were angrier at your parents. You can probably still hear them saying, "I told you so," or "What did I tell you?"

At the time, this criticism was crushing to you because it made you feel you had failed them.

High standards may help a child grow, if he has the confidence he needs to reach them. But they hold him back when fear of failure gets the upper hand.

For the growing child, learning to build confidence is a long-term process. The main builder of that confidence is the parent who can give support to the doubting child.

How? By helping the child accept those inevitable failures, by inspiring (by word or action) him to try again when he does fail, and by rewarding him for his smallest successes. A word of praise is a powerful ingredient in building self-confidence.

Criticism doesn't help the child to know how he can do better. It only tells him that he has failed. Encouragement helps the child to know you have confidence in him and his abilities. It gives him the power to think "I can do it!" It lets him know you are on his side. The child who has such encouragement is more likely to become a self-confident adult, an adult whose childhood memories are pleasant.

COOKING OUTDOORS
We need always to put safety first when doing any outdoor cooking. I'd like to share with you these few tips.

Place your barbecue grill away from buildings, trees, dry grass and shrubs. And keep a water pistol handy to put out any flare-ups.

Use liquid charcoal lighter fluid, an electric armer or kindling to start your fire instead of gasoline or kerosene. Never add liquid starter after the coals are burning.

Keep children and pets away from a hot grill before, during and after cooking. Always, be sure that your grill is on sturdy ground and that it can't tip over easily.

Protect yourself by using heavy mitts when handling cooking utensils. And don't wear loose clothing that might catch fire.

TICK BITES
With the arrival of spring, you should be on guard against tick bites to avoid Rocky Mountain spotted fever.

The disease is transmitted by the bite of the American dog tick. The Brown dog tick is also a suspected transmitter.

To help guard against tick bites and spotted fever, areas where ticks are likely to be found should be mowed or pruned regularly.

Applying sprays containing Dioxin or Sevin (carbamate) over lawns or weedy areas will help control ticks.

If you are bitten by a tick, don't pull the tick off - instead, apply a drop of camphor-alcohol or turpentine on the tick. Wash the ticked area with mild antiseptic.

BERRY JELLY
Blackberries and dewberries will be ripening soon and you can make delicious jelly from these berries. Here are some tips to help you make successful jelly.

Pick berries when one-fourth of them are slightly underripe. There are more pectin and acid in underripe berries - pectin makes the gel and acid sets the gel. The remaining three-fourth ripe berries give flavor and color.

Wash the picked berries and remove the calyx - the ruffy green part at the top of the berry. Put the berries in a large pan and be sure not to have more than six quarts of berries in one container. Mash a bit to start juice flowing and add little or no water - just enough to keep berries from scorching. Cook for 10 to 15 minutes; pour into an old cloth bag, such as an old pillowcase, and let the berries drip into a container.

Then add 3/4 cup sugar to each cup of juice. For two cups juice, you will need a four-quart boiler. Let the juice-sugar mixture come to a boil, stirring first to dissolve the sugar. Then let the liquid boil rapidly until it reaches 220 degrees Fahrenheit. Pour into clean standard canning jars, leaving one-fourth inch head space at the top. Put boiled self-sealing lids and rings on the jars, tighten rings very firmly and turn the jar upside down for one minute. The jar will seal within the next three hours.

If you use jelly glasses, you should pour melted paraffin on the hot jelly. Use enough to make one-eighth inch layer paraffin. And rotate the glass to get paraffin on the side of the glass.

If you use powdered or liquid pectin, follow proportions listed on the package.

Miss Taylor Honored With Morning Shower

A delightful morning party was held Saturday, June 29th, in the home of Mrs. Sam Collier, honoring Miss Marilyn Taylor, bride-elect of Mr. Gregory Liles of Decatur, Ala.

Beautiful arrangements of summer flowers were placed throughout the home. Enjoying this occasion with the bride-elect were her mother, Mrs. Elmer Taylor, her grandmother, Mrs. P. B. Taylor, Mrs. Aubrey Wright of Atmore, and Mrs. John F. Kendrick, Jr. of Tuscaloosa, Ala. Other guests from Elba were Mrs. Frank Clark, Mrs. Oswell Dowling, Mrs. Harold Deal, Mrs. Nellie Martin, Mrs. Robert Davis, Mrs. Bill McCollough, Mrs. Oscar Vaughan, Jr., Mrs. Paul Hudson, Mrs. Leroy Price, Mrs. W. H. Taylor, Mrs. George M. Kennedy, Mrs. Randolph Cooper, Mrs. Bynne Bruce, Jr., Mrs. Dale Crowe, and Mrs. Roney Nicholson.

A party plate of delicious refreshments was served to the guests. A gift of china was presented to Miss Taylor by the hostesses.

Danley-Kelley Vows Shared

Mr. and Mrs. Joseph H. Danley, Jack, Al, announce the recent marriage of their daughter, Dawn Marie, to Ronnie Glen Kelley, son of Mrs. Gertrude Carlson and Mrs. Josie Danley, both of Plant City, Fla. She is a graduate of Elba High School.

The groom was graduated from Zion Chapel High School and is presently employed at Ft. Rucker.

The couple is residing in Elba.

RECEPTION
Mr. and Mrs. Ronnie Glen Kelley (nee Dawn Danley) were guests of honor at a reception held July 2nd at the home of the bride's maternal grandmother, Mrs. Gertrude Carlson, Plant City, Fla.

Mrs. Kelley was a resident of Plant City until moving to Alabama seven years ago. The occasion allowed her family and friends to renew acquaintances with her and meet her husband.

Funeral services were held June 28 at the Mt. Olive Church with burial following in the Pine Level Cemetery. Rev. and Mrs. Wayne Weber officiated. Hayes Funeral Home in Elba directed the services.

County Commission Actions Routine This Week

On Monday July 8th at 10:00 a.m., the Coffee County Commission met in a regular session in the Elba courthouse. The following members were present: O. V. Waters, Albert Dyess, Flournoy Whitman, Bennie Beckham, Don Smith, Byron Galloway, James L. Sawyer, Judge of the Probate and O'Neal Ham, County Engineer.

The first order of business concerned bids on ditch machines. It was discussed and a motion made by Dyess and seconded by Waters to accept the low bid from Tractor and Equipment Company. All voted yes on this matter.

The court moved and seconded with an all yes vote to accept the one and only bid received from Dismukes Ford for the purchase of a truck costing \$15,160.00. The motion was brought up by Dyess and seconded by Waters. The truck will have a delivery date of approximately 38 weeks and the court has a 30-day option to request a two speed rear axle at dealer cost.

Ron Cain appeared before the court and presented its members with a check for \$3,800.00 from the police academy in payment of their debt. He also requested \$371.00 for rent on the academy. The motion for such action was made by Beckham and seconded by Galloway. All voted in favor of the proposal.

A letter was brought to the court's attention from Tim Byrd O'Neal Ham pointing out that over \$1,000,000.00 was needed to take care of the county's outstanding debts in the form of highway mowing, striping, bridges, etc. Whitman made the motion to accept the letter and it was seconded by Dyess to revert the \$75,000.00 back to general fund checking and \$100,000.00 to public highway traffic checking with \$150,000.00 reverting back to time deposit. The checking accounts will then be used to make payments on outstanding debts.

The commissioners discussed a request for raises in regard to the county survey engineers. A classification system is to be given the employees by Ham with decisions being made following this action.

Smith made a motion to accept E. B. Brunson's bid for a house to be moved to the Johnson property on the New South Road. Beckham seconded the motion and all voted in favor of this action.

Mr. Roy Shoffner, representing the Pea River Historical Society, asked for the donation of Johnson's bridge to be moved to their planned park in Enterprise. It was brought to his attention that the bridge no longer belongs to the county—it is privately owned. Also he mentioned plans to dedicate the marker on the court square and the Wellborn marker, located on the Damascus-Elba-Sanson highway. He asked for the court's participation in these ceremonies. He also requested that the society be allowed to restore the generator building located at the Elba dam site where a proposed park project is underway. All agreed to the proposals, after which the meeting adjourned.

Elba High School officials have become a bit upset with people solving, etc. in the name of the school without proper authorization. Principal Lamar Foley announced Monday that in the future any adult or student selling anything in the name of Elba High School will have a letter or card signed by Foley authorizing the action. Any persons selling without this signed and dated letter or card is not selling for Elba High School.

Ed Cooper Appointed To School Board

The Elba City Council met Monday night of this week. This meeting was scheduled for last Tuesday night, but was postponed due to several council members being on vacation.

The first order of business was the appointment of Ed Cooper to the Elba School Board. Cooper replaces Dr. James Clay, whose term had expired. Dr. Clay had asked that he not be reappointed, noting that he had served a number of years on the board and felt he should be replaced.

The council also passed a resolution to borrow up to \$40,000 to pay for the construction and paving work around the new T-hangers being constructed at the Elba Airport. This money will be borrowed equally from the two Elba banks at 8% interest. These hangers are to replace those destroyed by a tornado last year. They are big re-located north of the Dorsey hanger in anticipation of the extension of the east-west runway to a length of 5000 feet. This will allow bigger and faster aircraft to use the airport. The \$40,000 will handle the small business jets now popular with many industrial firms.

The council reviewed plans for building a new public library but decided to postpone the construction in hopes some way can be found to acquire a federal grant to defray part of the construction.

It was approved by the council to contribute \$50 monthly to the local Human Resources Development Commission (Community Action). Also, the council planned to ask the Light and Water Board to donate the utilities for the Elba office.

Livings Family Enjoys Reunion At County Lake Last Saturday - Hundreds Attend

The Livingston family enjoyed a reunion at County Lake last Saturday. Hundreds of people attended the event, which was held in the park area. The family members, including Mr. and Mrs. Livingston, their children, and grandchildren, were joined by many friends and neighbors. The day was spent in various activities, including swimming, fishing, and picnicking. The atmosphere was festive and enjoyable for all who attended.

The reunion was a special occasion for the Livingston family, who have lived in the area for many years. It provided an opportunity for family members to gather and celebrate together. The event was well-attended, with many people coming from out of town to join the family. The day was a success, and everyone enjoyed the time spent together.

The Livingston family reunion was a memorable event for all who participated. It was a day of joy and celebration, and it strengthened the bonds of family and community. The reunion was a testament to the importance of family and the joy of spending time together. The event was a success, and it was a day to remember.
